“ *Grandma I love you and will miss you! Please watch over momma and paw paw they are taking your passing the hardest. You went so suddenly. I know you are in a better place and its hard for me to handle you not calling me to talk to porkchop "your lil nurse", handsome, and blue eyes. Even Izzy will miss you! Momma,I know this is hard. I cant imagine losing you because it hurts too much to lose grandma. You and her have taught me so much and have been my role models during the good, bad, and ugly. I know your heart hurts much more than mine but know that you still have time to spend with us while your mommy gets your golden mansion ready in heaven. The kids and I love you.*
