My mother Vira Fowler was a Saint . She was the perfect woman she loved God , her husband, all her children , and grandchildren. She was the most loving and caring person to ever walk the face of this Earth. If I had to picture Mary the mother of Jesus my mother's face always comes to mind. Her laughter was always ringing through ours home when we were children n her beautiful smile . Momma you will be missed but I'm glad your at home n our loving father's arms now. I love u momma.
