“ *Terry my sincere thoughts and prayers go out to you and your family during this sad time. Rest assure your father is in a better place today than we are. As you well know I lost my Mom in January and Dad four years ago in April. Not a day goes by that I don't think of them and miss them very much. Knowing what a fine son and man you are, I'm sure he is looking down today with a smile at how great a job he did of raising his family making all of you the wonderful folks you are. May god bless and comfort your family in the days that come and the rest of your lives. A parting message that has always been dear to me and my mother. "God went out today to gather flowers, and today he gathered Ours!*
