“ *LaMar and family, I was saddened to hear of Wanda's passing. We here will miss her greatly: her kindness, gentleness and willingness to help everyone, but heaven has gained a new angel. I met Wanda a great many years ago through the NSH, as I so too met you, LaMar, and always looked forward to her cheerful smile. She truly cared about people. I extend my condolences to you knowing that God, in his Infinite Wisdom, will guide you through this difficult time.Take care of yourself, LaMar. I care about you too.*
