“ Wanda was my neighbor for 25 years. She was the first person to welcome me to the neighborhood with a gift of wonderful tomatoes she had grown. I spent most of the last 8 years taking care of my parents and returning home in August 2014 after both passed away, Daddy 4/28/2014 and Mom 6/09/2014. A few weeks after returning, Wanda brought me several jars of fig preserves and did so up until a few months ago. She took care of children in her home and I witnessed the expert care and love given to these children by Wanda for years. When I heard she had passed away, I cried. She never complained even when sick. I'll miss Wanda and Jerry.
