“ *You will be forever miss, uncle. I had a special connection to you because you were my dad's twin brother. Even when my dad passed away, I was more thoughtful of you because you and Dad shared so much more together as twins and that's a very special bond. Tomorrow, we say our final goodbyes to you as we lay your body to rest, but i know that you've already joined Grandma, Dad, Al, and Stephen. I miss you, uncle, and I miss everyone in Heaven.*
