“ A "memory I shared w/W. Harvey"...impossible to pick just one, as I have a host of them! I was not named in her obit., bc we were not related, however we both had true unconditional love for each other-the kind u can only have for blood kin-the kind that even Time, itself cannot diminish. We had not seen each other in years, & I have no excuse for not going to back "Home" to visit my mentor & it has been on my tiny mind alot lately but I did not act on it. This will always be the very sad day that I discovered that I don't have that option anymore. GOD forever-more closed that most special door for me-less than a month ago-I just missed her 😭😭😭
If anybody ever sees this-please follow ur gut/heart. It's a supernatural thang-its Real.

I will never forget you, Wyvette Harvey. You were an amazing Matriarch, mentor, model mother to many-more besides myself. Countless others that u hosted, housed, OVER-fed, educated, employed, healed, & adopted into your family. I find great comfort knowing that U made it HOME. YOU finished the race. Congratulations, beloved Sister, Mother, & Friend. I ❤️ U.

I don't know what this, my last quarter will hold, but I'm excited to see. I do know who holds my future.

See u soon'ish, sista ❤️
